~~~~~
Patrick writes songs that have that rare combination of strong lyrics AND strong melody. Relix Magazine called him "one of the most captivating songwriters around today", and his latest CD, "So Beautiful So Blue" has made several Best of 2008 lists. He continues to tour throughout the northeast, building a large and loyal following with his soulful, captivating performances. Patrick will be joined by Loni Bach (cello), Ned Stroh (percussion) and Paul Kuzik (bass), for what promises to be a very special evening of music.
